February 2, 2019

March 2, 2019

April 6, 2019

May 4, 2019

June/July No Meeting

August 3, 2019

Caregivers find support groups helpful, because it allows them the opportunity to share their experiences, exchange information, and point each other toward organizations that have been particularly helpful. Support groups also encourage caregivers to care for themselves, and develop an understanding it is not selfish to attend to their own needs.
