

VOLUNTEER.

The Community Needs YOU!

For as little as two hours monthly, you can help older adults in your immediate neighborhood who are in need. Many have limited incomes and/or limited family assistance. Tasks that seem easy to most such as changing a light bulb, moving boxes, scrubbing a bathtub, or going to the store can be impossible tasks for others. Be a part of changing someone's life for the better in small but very impactful ways! *Hours are flexible and can even accommodate full time jobs. YOU decide on frequency and commitment level.*

Opportunities Available:

Help with light chores

Grocery shop

Assist with minor home repairs

Transport to appointments

Provide companionship

And more
